APWU/USPS-17 The list of approved AMP consolidations released on February 23, 2012 shows some offices as consolidating originating and destinating mail and some facilities as undergoing “full” consolidation.

- a) Please explain the difference between consolidating originating and destinating mail and a “full” consolidation.
- b) Does “full” consolidation indicate the building will be vacated? Are there other types of consolidations that will lead to the building being vacated? If so, please identify those.
- c) Given the completion of the AMP studies, can you now identify the locations that will be used as transportation hubs? If so, please provide a listing of those locations.
